

Past Participants

This pageant is unlike any other you have ever seen. Our participants are celebrated for what they can do! Our contestants may have anything from cerebral palsy to hearing/visual impairment:

At any of our Angels Pageants we feel that every life has value, no matter how it is perceived by the general public. Most of these children are not included in this type activity due to ignorance and misunderstanding. We are blessed to know each one of these precious children and are thankful they are here.

Our experience will provide hair, makeup, dress apparel, as well as each contestant getting the “star” treatment with photography.

Each participant will receive a crown, goodie bag, and t-shirt. The Angels experience is provided at no cost to the family, but if you'd like to be a sponsor or donate items for goodie bags please contact us.

Every Child, A True Angel

Our pageant system believes that EVERY child is a gift from God, regardless of their abilities. We love them and praise God for their life and spirit.

These pageants are not about ability. This is simply a chance for us to come together and celebrate these childrens' sweet spirits.

We welcome any special needs child that would like to participate, regardless of which state you reside in.

We are blessed to know each and every one of them! They are a gift from and of God!
